

BABY WELCOME PACKS

The Quintassential in association with Little Rascals Baby Shop would like to give you the opportunity to make your holiday with small children run as smoothly as possible.

The exclusive Baby Welcome Pack service is designed to reduce the stress of travelling with young children, reduce the amount of extra luggage needed and eliminate the difficulty of searching for familiar baby products in another country.

Little Rascals is based in the central Algarve and stocks a wide range of UK baby products. The Welcome Pack will be delivered free to your accommodation here at the Quintassential prior to your arrival.

Due to the recent changes in baggage allowance by many of the airlines, Little Rascals also hire Travel Cots, Car Seats and Push Chairs.

Should you wish to have any of the below items awaiting your arrival or during your stay, please fill in your requirements below, email your requirements back to us or let Rosa know at your earliest convenience and we will arrange this for you.
